5th Annual Sonic Top Gun Challenge, Scheduled for July 9th and 10th

Springdale, AR – The Sonic Top Gun Challenge is an invitation only event that features Arkansas' elite high school quarterbacks. The Challenge will be held on July 9th and 10th at Shiloh Christian School in Springdale, AR. Each Quarterback will be evaluated, instructed, and tested in 7 events that will produce the Sonic Top Gun Champion.

Event one, Mental Testing, challenges each quarterback's understanding of the game and assesses his leadership qualities. Event two, Physical Testing, is a mini-combine format that tests over-all athleticism, strength and speed.

Events three through seven, the **On-The-Field-Events**, test the speed, mobility, accuracy and arm strength of each quarterback. These **5 on-the-field-events** will be held **Thursday, July 10th, at 7:00 pm at the Shiloh Saints Football Stadium** in Springdale. Friends, family and high school football fans are all cordially invited to attend this portion of the Challenge.
